## **LESSON PLAN**

### **MY DAILY ROUTINE**

This lesson focuses on vocabulary to talk about daily routines, using the present simple. First, learners will review telling the time and days of the week. Language to describe daily routine activities will then be introduced, and learners will answer questions about their own daily routines as well as find out about their classmates' routines. Finally, learners will play a game to practise using the present simple, with review and follow-up activities.

A survey about the students' daily routine will be carried out through the digital tool MENTIMETER.
